

## Science Committee (SC) – Conflicts of Interest Declarations

Name	Primary Role/Post with UKRI	Other Roles/Services provided to UKRI in addition to primary role	Professional memberships or affiliations	Appointments, Employment, Directorships and consultancies with other organisations	Roles in organisations receiving UKRI support where you receive Remuneration/Benefits in kind/other income received.	Unremunerated involvement with relevant bodies	Direct investments (shareholdings, dependencies and/or other financial interests)	Direct investments in organisations receiving UKRI funding and/or support	Financial, pecuniary and non-financial links of close family members in above areas	Date information updated
Graham Underwood	Chair of NERC Science Committee	Member, Individual Merit Promotion IMP panel	Fellow, Royal Society of Biology Immediate President, British Phycological Society	Professor, School of Life Sciences, University of Essex	Professor, School of Life Sciences, University of Essex	Member, Environment Agency Regional Flood and Coastal Committee (Eastern), Essex Climate Action Commission (Essex County Council)	N/A	N/A	N/A	01 May 2020
Adrian Baker	Member of NERC Science Committee	N/A	Fellow of Geological Society, Member of Society of Radiation Protection.	Fellow of the Defence Science and Technology Laboratory, MOD.	N/A	Member of NOC Marine Facilities Advisory Board	N/A	I have no personal investments. Dstl have ongoing contracts with NOC to undertake research activities	N/A	27 February 2020
Nicola Beaumont	Member of NERC Science Committee	I am employed by the Plymouth Marine Laboratory, but regularly apply for UKRI funds in order to undertake my research. As such a reasonable amount of my research is funded by UKRI, including ESRC, EPSRC and NERC.  Member of the UK Energy Research Centre (UKERC) Leadership Committee. UKERC is a UKRI funded £18 million consortium with an aim of developing whole systems research for a sustainable energy future. As a UKERC co-director, leading the environment theme research, I sit on the leadership committee which oversees all activities within the project, including research, finances, distribution of funds and communication.	None	Plymouth Marine Laboratory	I am head of the Sea and Society group at the Plymouth Marine Laboratory where UKRI funding is received for work on projects.	Member of the UK Productive Seas Evidence Group (PSEG) which reports directly to UK government under the UK Marine Monitoring and Assessment Strategy (UKMMAS).	None	None	None	18 November 2020
Alberto Naveira Garabato	Member of NERC Science Committee	N/A	American Geophysical Union Challenger Society for Marine Science	Professor of Physical Oceanography at the University of Southampton Director of NEXUSS NERC/EPSC Centre of Doctoral Training	N/A	N/A	N/A	N/A	N/A	31 January 2020
Jane Hill	Member of NERC Science Committee	Member of NERC peer review college, and Chair of NERC panel C	Trustee of the British Ecological Society Honorary Fellow, Royal Entomological Society	Professor, Department of Biology, University of York	Professor, deputy Head of Department, University of York	Trustee of the SE Asia Rainforest Research Partnership (UK charity)	none	none	none	19 November 2020
Anna Jones	Science Leader at British Antarctic Survey  Member of NERC Science Committee	I sit on a BGS Promotion Panel	European Geophysical Union	N/A	N/A	N/A	I have a number of financial investments (ISAs) managed by investment funds (Jupiter, Aegon, Newton, Triodos). I do not perceive that any are relevant to my appointment to NERC Science Committee but can provide more information if required.	N/A	N/A	28 February 2020
Christine Maggs	Member of NERC Science Committee	Member of Panel for Evaluation of NERC Centres (Impact)  Some support to UKRI work in my main position, which is Chief Scientist to JNCC, an arm's length member of the Defra group	Member of the Royal Irish Academy, Fellow of the Linnean Society, member of British Phycological Society, Phycological Society of America, International Phycological Society	Full-time appointment as Chief Scientist of JNCC Support Co., part of the Defra group  Visiting Professor at Bournemouth University (3-year term ends March 2020); unpaid  Honorary Professor at Queen's University Belfast (3-year term, renewable); unpaid  Recent (paid) service for Norwegian Research Council  Upcoming (January 2020; paid) service for Swedish Research Council – member of Linnaeus Centres evaluation panel.  Current appointment as Steering Committee member for Irish EPA projects  No current commercial consultancies	Full-time appointment as Chief Scientist of JNCC Support Co., part of the Defra group, which receives some UKRI support.  Benefits in kind are received as Visiting Professor at Bournemouth University (3-year term ends March 2020; renewable)  Honorary Professor at Queen's University Belfast (3-year term ends 2022, renewable).	Member of REF subpanel 7 (Earth & Environment)	N/A	N/A	My sister-in-law Professor Frances Edwards at UCL (dementia studies) is funded partly by MRC.	27 February 2020
Rich Pancost	Member of NERC Science Committee	N/A	American Geophysical Union European Geophysical Union European Association of Geochemists RSC	Professor, University of Bristol	N/A	Board of Directors or Trustees of Bristol Zoo Society and Preventable Surprises	N/A	N/A	N/A	19 February 2020
Daniel Parsons	Member of NERC Science Committee	Panel A Chair, Discovery Science, NERC	American Geophysical Union Geological Society of London European Geosciences Union Royal Geographical Society British Society for Geomorphology British Sedimentological Research Group	Professor, University of Hull EMIH Ltd. Executive Board member (company responsible for running The Deep Aquarium). Council Member, European Geosciences Union Board Member, Living with Water Partnership Board Member, Ark: National Flood Resilience Centre	University of Hull University of Illinois	None	Principality Building Society investments USS Pension Scheme	None	None	17 November 2020
Stefan Reis	Member of NERC Science Committee	N/A	President of the international Environmental Modelling and Software Systems Society (iEMSS); Fellow RSA; Fellow Modelling and Simulation Society of Australia and New Zealand	UK Centre for Ecology & Hydrology (UKCEH), Bush Estate, Penicuik, EH26 0QB, UK Science Area Head Honorary Associate Professor, University of Exeter Medical School, Knowledge Spa, Truro, TR1 3HD, United Kingdom	See role in UKCEH (employee, PI of UKRI funded research projects)	NERC Peer Review College: NERC Centre Evaluation panel 2020	N/A	N/A	N/A	21 November 2020

David Viner	Member of NERC Science Committee	N/A	Fellow of the Institute of Environmental Science Honorary Lifetime Member of Friends of the Environment	Full time employment of Mott MacDonald	N/A	Visiting Professor of University of East Anglia	Shares in Mott MacDonald	N/A	N/A	27 February 2020
Simon Vosper	As an employee of the Met Office I have no role within UKRI. Member of NERC Science Committee	N/A	Member of the Royal Meteorological Society	Permanent employee at the Met Office. Honorary visiting professor at the University of Leeds	N/A	Honorary visiting professor at the University of Leeds	N/A	N/A	N/A	27 February 2020
Doug Wilson	Member of NERC Science Committee	N/A	Fellow, Royal Society of Arts, Manufacturing and Commerce Member, British Hydrological Society	Evidence Director and Chief Scientist, Environment Agency (involves working closely with Universities and the Research Councils, including a number of NERC Institutes).	N/A	Chair, Energy and Environment Programme Expert Group, National Physical Laboratory Honorary Professor, Nottingham Trent University Member, Cranfield University Environment and Agri-food Innovation Advisory Board	Honorary visiting professor at the University of Leeds	N/A	N/A	13 December 2019
