
SAFETY MANAGEMENT TEAM TERMS OF REFERENCE

VERSION NUMBER: 1.1

DATE OF ISSUE: July 2013

Purpose of NERC Safety Management Team

To develop and maintain an open, inclusive and positive health and safety culture within NERC and in doing so, improve standards, maintain legal compliance and minimise the risks to which NERC, its staff and others are exposed through its activities.

Terms of Reference

1. To act as the senior NERC Management Forum to set direction and policy for health and safety.
2. To oversee the NERC Safety Management System and to develop it in accordance with legislation and best practice.
3. To oversee the work of the NERC Safety Management Group in support of the Safety Management System.
4. To act as the management representation on the NERC Health and Safety Committee.
5. To provide oversight and guidance for the management and development of NERC H&S professionals.
6. To report to the NERC Executive Board on H&S issues of corporate importance.
7. To review safety performance across NERC, including audits and major incidents.
