Area of Expertise

What level of expertise do you have in the subject area of this proposal?

| High level of expertise | Medium: sufficiently knowledgeable to provide an informed opinion |
--- | ---

Which aspects of the proposal are you commenting on?

| Whole Proposal | Particular Aspects |
--- | ---

If your comments are restricted to particular aspects, please give further details. If you are commenting on the whole proposal, please complete n/a below.

Suggested Reviewers
Please suggest other reviewers for this proposal. If possible provide contact details; an email address is particularly useful.

Assessment of Track Record/Capability to Deliver

Please comment on to what extent the PI has: (a) Made an outstanding contribution to the generation of ground-breaking new ideas and hypotheses, and demonstrated the key skills required to do this; (b) Provided evidence of visionary independent thinking; (c) Demonstrated outstanding expertise and capability to successfully execute a project as an individual, and through supporting the advancement of colleagues.

Assessment of Research Excellence

Please comment on to what extent: (a) The proposed research addresses an important environmental challenge and involves objectives that are ambitious and beyond state-of-the-art in the science area; (b) It pushes the frontiers of knowledge and leads to ground-breaking, high risk/reward, innovative scientific discovery that will have a lasting impact on the science area addressed; (c) The outlined scientific approach is feasible, bearing in mind that the proposed research is high risk/high gain.

Overall Assessment

Assessment Score for Applicant Track Record and Capability to Deliver

Please provide your assessment of the applicant. Refer to the scheme specific guidance. 3 = Outstanding 2 = Excellent 1 = Interesting/Non-competitive
