# ENTERPRISE FELLOWSHIPS

## *Growing Successful Entrepreneurs*

The premier fellowship award for researchers and innovators who have promising technology-based business ideas – providing salary support, expert training and mentorship from experienced entrepreneurs.

# TURN YOUR VISION INTO A REALITY

If you are a researcher with:

- > a science and technology-based business idea
- > an interest in building a successful company
- > the energy and motivation to make your business reach its potential

**the RSE Enterprise Fellowship scheme can help you become a successful entrepreneur.**

## FIRST-CLASS SUPPORT

RSE Enterprise Fellows concentrate solely on developing the commercial potential of their proposal, whilst receiving one year's salary, expert training in entrepreneurship and access to mentorship from business Fellows of the RSE and other successful entrepreneurs in the business community.
