

ESPA 2013 Grants

Award Title	Principal Investigator	Investigator Institution	Co-Investigator(s)	NERC Reference	Split Award
Agglomeration payments for catchment conservation and improved livelihoods in Malawi	Dr Claudia Ringler	International Food Policy Research Institute IFPRI, Environment and Production Technology Division	Dr Andrew Bell - IFPRI, Environment and Production Technology Division Dr Paswel Marenja - IFPRI, Environment and Production Technology Division Dr Ephraim Nkonya - IFPRI, Environment and Production Technology Division Dr Hua Xie - IFPRI, Environment and Production Technology Division Dr Klaus Droppelmann - IFPRI, Development Strategy and Governance Division	NE/L001624/1	Y - Lead
Agglomeration payments for catchment conservation and improved livelihoods in Malawi	Dr Lawrence Mapemba	Lilongwe University of Agriculture and Natural Resources		NE/L002183/1	Y
Agglomeration payments for catchment conservation and improved livelihoods in Malawi	Professor Timothy Benton	University of Leeds, Institute of Integrative & Comparative Biology		NE/L001381/1	Y
Agglomeration payments for catchment conservation and improved livelihoods in Malawi	Dr Gregory Malcolm Parkhurst	Weber State University		NE/L001241/1	Y

<p>CESEA - Coastal Ecosystem Services in East Africa</p>	<p>Professor Mark Huxham</p>	<p>Edinburgh Napier University, Life Sciences</p>	<p>Professor Hilary Kennedy - Bangor University, School of Ocean Sciences Dr Martin Skov - Bangor University, School of Ocean Sciences Dr Fiona Nunan - University of Birmingham, IDD Dr James Gitundu Kairo - Kenya Marine and Fisheries Research Institute, Headquarters Dr Caroline Upton - University of Leicester, Geography Dr Narriman Jiddawi - University of Dar es Salaam, Institute of Marine Science Dr Mwita Mangora - University of Dar es Salaam, Institute of Marine Science</p>	<p>NE/L001535/1</p>	<p>N</p>
<p>Ecosystem Services, Wellbeing and Justice: Developing Tools for Research and Development Practice</p>	<p>Professor Thomas Sikor</p>	<p>University of East Anglia, International Development</p>	<p>Dr Adrian Martin - University of East Anglia, International Development Dr Ole Mertz - University of Copenhagen, Geoscience, natural resource management Dr Sithong Thongmanivong - National University of Laos Mr Finn Danielsen - NORDECO, Research</p>	<p>NE/L001411/1</p>	<p>N</p>

<p>Institutions for Urban Poor's Access to Ecosystem Services: A Comparison of Green and Water Structures in Bangladesh and Tanzania</p>	<p>Dr Manoj Roy</p>	<p>The University of Manchester, Environment and Development</p>	<p>Dr Ferdous Jahan - BRAC University, BRAC Development Institute Professor David Hulme - The University of Manchester, Environment and Development Dr Shemdoe Riziki - Ardhi University Dr James Rothwell - The University of Manchester, Environment and Development Professor Clive Agnew - The University of Manchester, Environment and Development Professor Adisa Azapagic - The University of Manchester, Chemical Engineering and Analytical Science</p>	<p>NE/L001616/1</p>	<p>N</p>
<p>Poverty and ecosystem Impacts of payment for wildlife conservation initiatives in Africa: Tanzania's wildlife Management Areas (PIMA)</p>	<p>Professor Katherine Homewood</p>	<p>University College London, Anthropology</p>	<p>Dr Jens Friis Lund - University of Copenhagen, Geoscience, natural resource management Dr Maurus January Msuha - Tanzania Wildlife Research Institute, Head Office Dr Aidan Keane - Imperial College London, Life Sciences - Biology Professor Neil Burgess - World Conservation Monitoring Centre - WCMC, Science Unit Mr Geoffrey Mwanjela - Tanzania Natural Resource Forum TNRF</p>	<p>NE/L00139X/1</p>	<p>N</p>

<p>Risks and Responses to Urban Futures: Building synergies between urban development processes and peri-urban communities for enhanced ecosystem service</p>	<p>Professor Fiona Marshall</p>	<p>University of Sussex, School of Business Management & Economics</p>	<p>Professor Pranav Desai - Jawaharlal Nehru University Dr Jorn Scharlemann - University of Sussex, School of Life Sciences Dr Linda Waldman - Institute of Development Studies, Research Department Dr Milap Punia - Jawaharlal Nehru University, Centre for Study of Regional Development</p>	<p>NE/L001292/1</p>	<p>Y - Lead</p>
<p>Risks and Responses to Urban Futures: Building synergies between urban development processes and peri-urban communities for enhanced ecosystem service</p>	<p>Dr Priyane Amerasinghe</p>	<p>International Water Management Institute, Regional Office for South Asia</p>	<p>Dr Luna Bharati - International Water Management Institute, Regional Office for South Asia</p>	<p>NE/L001349/1</p>	<p>Y</p>

Streamlining Monitoring for Smallholder and Community PES (SMS-PES)	Dr Ina Porras	International Institute for Environment and Development, Sustainable Markets Group	Dr Casey Ryan - University of Edinburgh, School of Geosciences Mr Francisco Fernando Ascui - University of Edinburgh, Business School Dr Janet Fisher - University of Exeter, Geography Mr Dhanush Dinesh - Plan Vivo Foundation, Governance and Operations Dr Essam Mohammed - International Institute for Environment and Development, Sustainable Markets Group (Researcher-Co-Investigator)	NE/L001578/1	N
The Political Economy of Water Security, Ecosystem Services and Livelihoods in the Western Himalayas	Dr Bhaskar Vira	University of Cambridge, Geography	Dr Rajesh Thadani - Centre for Ecology Development and Research CEDAR, Forestry Dr Hemant Ojha - ForestAction Nepal Mr Chetan Agarwal - Centre for Ecology Development and Research CEDAR Professor Surendra Singh - Centre for Ecology Development and Research CEDAR Dr Vishal Singh - Centre for Ecology Development and Research CEDAR, Forestry (Researcher-Co-Investigator)	NE/L001365/1	N

Under what conditions can Payments for Environmental Services deliver sustainable improvements in welfare? Learning from a Randomized Control Trial	Dr Nigel Asquith	Bolivian Natura Foundation, Socioeconomic and Policy Research	Dr Conrado Tobon - National University of Colombia, Forest Sciences Dr Kelsey Jack - Tufts University, Economics Mr Tito Vidaurre - Bolivian Natura Foundation, Biophysical Research (Researcher-Co-Investigator)	NE/L001470/1	N
Unraveling biofuel impacts on ecosystem services, human wellbeing and poverty alleviation in Sub-Saharan Africa	Professor Katherine Willis	University of Oxford, Zoology	Mr Graham von Maltitz - Council for Scientific and Industrial Research, Natural Resources and the Environment Mr Francis Johnson - Stockholm Environment Institute, Research Dr Charles Blessings Laurence Jumbe - University of Malawi, Bunda College Dr Alexandros Gasparatos - University of Oxford, Zoology (Researcher-Co-Investigator)	NE/L001373/1	N
WISER: Which Ecosystem Service Models Best Capture the Needs of the Rural Poor?	Professor James Bullock	NERC Centre for Ecology and Hydrology, Hails		NE/L001322/1	Y - Lead
WISER: Which Ecosystem Service Models Best Capture the Needs of the Rural Poor?	Dr Belinda Reyers	Council for Scientific and Industrial Research, Natural Resources and the Environment	Dr Jeanne Lindsay Nel - Council for Scientific and Industrial Research, CSIR SA, Natural Resources and the Environment Dr Patrick O'Farrell - Council for Scientific and Industrial Research, Natural Resources and the Environment (Researcher-Co-Investigator)	NE/L001284/1	Y

WISER: Which Ecosystem Service Models Best Capture the Needs of the Rural Poor?	Dr Ferdinando Villa	Basque Centre for Climate Change bc3, Research		NE/L001195/1	Y
WISER: Which Ecosystem Service Models Best Capture the Needs of the Rural Poor?	Dr Felix Eigenbrod	University of Southampton, School of Biological Sciences	Dr Kathrin Schreckenber - University of Southampton, Faculty of Engineering & the Environment Dr Malcolm David Hudson - University of Southampton, Faculty of Engineering & the Environment Professor Terence Peter Dawson - University of Dundee, Geography Dr Simon Willcock - University of Southampton, School of Biological Sciences (Researcher-Co-Investigator)	NE/L001152/1	Y
