UKRI Strategic Priorities Fund

• Part of the Autumn Statement 2016 uplift in R&I funding
• Responds to the Nurse Review recommendations
• Three pillars of activity:
  1. Multi-disciplinary programmes
  2. National strategic priorities, eg AI, synthetic biology
  3. Programmes aligned with Government Departments

• UK Climate Resilience funded under Wave 1 of SPF
Objectives for this meeting

• Provide further information about the UKCR programme and activities to date

• Detail the specific requirements of, and provide an opportunity to ask questions on, the second UKRI funding call:
  • This morning on Topic A ‘Enhanced Climate Change Risk Assessment Capability’
  • This afternoon on Topic B ‘Governing Adaptation’

• Provide an opportunity for networking
