

**Policy and Practice Impact Awards – Successful Proposals, September 2017**

<b>Reference</b>	<b>PI / Contact for Bid</b>	<b>RO</b>	<b>Programme / Project Title</b>
NE/M005410/1	Weatherby, Anita	Centre for Ecology & Hydrology	Valuing Nature Programme
NE/P014909/1 NE/P014941/1 NE/P015050/1	Cox, Peter	University of Exeter	Methane, Ozone and the Carbon Budget for 1.5 degrees (MOC1.5); Climate, Land-Use, and Ecosystem Services at 1.5C; Climate feedbacks from wetlands and permafrost thaw in a warming world (CLIFFTOP)
Coordination Team Award	Nadan, Jon	British Geological Survey	Security of Supply of Mineral Resources Programme
Coordination Team Award	Velenturf, Anne	University of Leeds	Resource Recovery from Waste Programme
NE/L01033X/1	McEwen, Lindsey	University of the West of England	Developing a drought narrative resource in a multi-stakeholder decision-making utility for drought risk management
NE/L010364/1	Lange, Bettina	University of Oxford	MaRIUS: Managing the Risks, Impacts and Uncertainties of droughts and water Scarcity
NE/P015093/1	Edwards, Neil	Open University	Plausible policy pathways to Paris
NE/K008900/1	Dance, Sarah	University of Reading	Forecasting Rainfall exploiting new data Assimilation techniques and Novel observations of Convection (FRANC)
NE/L010186/1	Rey, Dolores Vicario	Cranfield University	MaRIUS: Managing the Risks, Impacts and Uncertainties of droughts and water Scarcity
NE/L000369/1	Beresford, Nick	Centre for Ecology & Hydrology	TRansfer - Exposure - Effects (TREE): integrating the science needed to underpin radioactivity assessments for humans and wildlife
NE/L010364/1	Hall, Jim	University of Oxford	MaRIUS: Managing the Risks, Impacts and Uncertainties of droughts and water Scarcity
NE/M005747/1	Collins, Chris	University of Reading	Soil Security Programme
