

## List of NERC Facilities requiring a 'Technical Assessment' attachment

Aberystwyth Luminescence Laboratory, Aberystwyth  
Accelerator Mass Spectrometry (AMS) Laboratory  
Airborne GeoSciences, University of Edinburgh  
Argon Isotope Facility (AIF)  
Atmospheric Measurement Facility (AMF)  
British Isles GPS Facility (BIGF)  
British Ocean Sediment Core Research Facility (BOSCORF)  
Combined MSTRF and CFARR Facility  
Cosmogenic Isotope Analysis Facility (CIAF)  
Culture Collection of Algae and Protozoa (CCAP)  
European Incoherent Scatter Radar Facility (EISCAT)  
Experimental Geoscience Facility  
Facility for Airborne Atmospheric Measurements (FAAM)  
Field Spectroscopy Facility (FSF)  
Geophysical Equipment Facility (GEF) - (Ocean Bottom Instruments) Durham/Soton  
Geophysical Equipment Facility (GEF) - Edinburgh  
Geophysical Equipment Facility (GEF) - Leicester  
ICP-MS Facility, Kingston University  
Ion Microprobe Facility (IMF)  
Life Sciences Mass Spectrometry Facility (LSMSF) - Bristol  
Life Sciences Mass Spectrometry Facility (LSMSF) - East Kilbride  
Life Sciences Mass Spectrometry Facility (Lancaster) - Lancaster  
Molecular Spectroscopy Facility (MSF)  
NERC Biomolecular Analysis Facility (NBAF) – Birmingham  
NERC Biomolecular Analysis Facility (NBAF) – Edinburgh  
NERC Biomolecular Analysis Facility (NBAF) – Liverpool  
NERC Biomolecular Analysis Facility (NBAF) – Sheffield  
NERC Earth Observation Data Acquisition and Analysis Service (NEODAAS) - Plymouth  
NERC Isotope Geosciences Laboratory (NIGL)  
NERC Radiocarbon Facility (NRCF) - Oxford  
NERC Radiocarbon Facility (NRCF) - East Kilbride  
North East Amino Acid Racemization (NEAAR)  
Open University U-Series Facility (OUUSF)  
Sorby Environmental Fluid Dynamics Laboratory  
Space Geodesy Facility (SGF)  
UK Arctic Research Station
